LOGO USAGE

Click on the logo/seal you would like to download from our site. Once you click on the logo of your choice, it will open in a new tab. You can then right-click the image and save it.
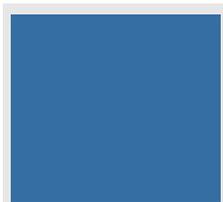

How to use our logo:
1. Please only use the logos provided on our website.
2. Do not manipulate the logo in any way — Colour and image proportion must not be altered:
   - Do not change the shade of blue or green.
   - Do not make the logo wider or narrower.
   - Do not crop the logo.

Please include adequate clear space free from all other visual elements, including text, on all sides of the logo
